Answering questions on your application:

Please answer all questions truthfully. We will verify your answers. Any misrepresentation of information related to eligibility, preference for admission, allowances, rent, family composition or prior resident history is grounds for rejection. Additionally, you should be aware that Section 1001 of Title 18 of the U.S. Code makes it a criminal offense to make willful, false statements or misrepresentations of any material fact involving the use of or obtaining federal funds.

Answering questions relating to a disability:

Answers to questions on your application concerning disability status are *optional*, but please note that families with disabled members may be entitled to (1) certain deductions from income that affect rent or (2) units designed to be accessible for individuals with disabilities. So, without this information we may not be able to calculate your rent correctly or verify your eligibility to live in an accessible unit.

If you answer the questions relating to disability, we will need to verify that you or a household member is disabled. We do not need to know the nature, extent, or current condition of the disability, but we will need to know that you meet the federal definitions that apply to these terms and that you can abide by the terms of our lease.

Information you provide on a disability status will be treated as confidential by management. In accordance with program regulations, information may be released to appropriate federal, state or local agencies.

Housing Requirements Questionnaire:

Please complete the Housing Requirements Questionnaire that accompanies your application. This information is needed so that we may assign you a unit appropriate to any needs that exist for your household. Your answers will be verified. If, however, there are no household members with a disability, or if you do not wish to complete the document for any reason, simply indicate that choice in the space provided at the top of the document. The choice not to complete this document will not in any way affect the processing of your application for an apartment.

Notice to All Applicants: Options for Applicants with Disabilities

This property is managed by Two Plus Four Management Company, Inc., 6320 Fly Road, East Syracuse, New York 13057. We provide assisted housing to the general public under New York State. We are not permitted to discriminate against applicants on the basis of their race, color, religion, sex, national origin, familial status or disability. In addition, we have an obligation to provide "reasonable accommodations" to applicants if they or any household members have a disability. Compliance actions may include reasonable accommodations as well as structural modifications to the unit or premises.

A reasonable accommodation is some modification or change that we can make to the policies or procedures that will assist an otherwise eligible applicant with a disability to take advantage of the programs under which we operate. Examples of reasonable accommodations and structural modifications include, but are not limited to:

- Making reasonable alterations to a unit so it could be used by a household member with a wheelchair;
- Installing strobe type flashing-light smoke detectors in an apartment for a household with a hearing-impaired member;
- Permitting a household to have a seeing-eye dog to assist a vision-impaired household member where existing
 pet rules would not allow the dog;
- Making large type documents or a reader available to a vision-impaired applicant during the application process;
 Making a sign language interpreter available to a hearing-impaired applicant during the application process;
- Permitting an outside agency to assist an applicant with a disability to meet the property's applicant screening criteria.

An applicant household that has a member with a disability must still be able to meet essential obligations of tenancy-they must be able to pay rent, to maintain their apartment in a safe and sanitary condition, to report required information to the building manager, to avoid disturbing their neighbors, etc., but there is no requirement that they be able to do these things without assistance.

If you or a member of your household have a disability and think you might need or want a reasonable accommodation, you may request it at any time in the application process or after admission. This is up to you. If you would prefer not to discuss your situation with management, that is your right.

The next page of this application is a *Housing Requirements Questionnaire*. If you wish to complete the document and provide management with information regarding any household member with a disability, please do so. If no household member has a disability, or if you do not wish to complete the questionnaire for any reason, please indicate so, sign the form, and return to the manager.
